Pricing

Catalog reflects regular pricing (unless otherwise stated). "Regular Price" is a price which was either offered to our customers at some point in the past 90 days or was offered by a competitor for the same or similar item at some point in the last 90 days. While we believe it is a fair representation of the offered price, we cannot guarantee that there were actual sales of the item at this price. Most of the items go on sale throughout the season. Please check online, in store or call for possible sale prices on items in the catalog. Does not include other promotional pricing and clearance items.

Out Of Stock Substitution Policy

If an item is out of stock, we'll tell you when you place your order. If we don't think we can fill the order within 30 days, we'll ask if you still want the item when it becomes available. In some cases, we may offer a substitute of equal or greater value at the same price as your original order. If a substitute is not available and additional stock cannot be obtained, we will let you know that we will cancel your order. We reserve the right to limit quantities to properly serve all our customers.
