

POMEGRANATE 'Parfianka'

Cost \$20.00 (3 Gallon)

'Pomegranate - 'Parfianka' - Orange-red, bell-shaped flowers appear on new growth in the spring and summer. The leathery fruit contains numerous seeds surrounded by sweet pink, juicy pulp. Pomegranates grow as dense, bushy shrubs 6 to 12 feet tall with thorny, slender branches. Where winters are mild they may be trained into small, multi-trunked trees. Full Sun

BLACKBERRIES 'Natchez'

Cost \$18.00 (3 Gallon)

'Blackberries' are self-fruitful so you can plant just one plant and still get fruit. The average family needs 3-5 plants. They yield more in full sun but can tolerate some shade. Thornless blackberries are relatively pest free and require little care once established.

AMERICAN 'PERSIMMON'

Cost \$18.00 (3 Gallon)

'American Persimmon' - This deciduous tree - which can grow up to 70 feet but is much more likely seen between 30-40 ft tall. Flowers in early spring to summer with fruit that ripens in the fall. Persimmons can tolerate hot weather and clay soil. Great tree for urban areas.

ORNAMENTAL 'GRASS-MUHLY'

Cost \$18.00 (3 Gallon)

'Ornamental Muhly Grass' - Muhly grass really shines in early fall, when a fine-textured pink cloud hovers above the green foliage, catching the breeze and the sunlight. This 'cloud' is the pink inflorescence - the flowers of this native grass.

CAMELLIA 'SADAHARU OH'

Cost \$25.00 (3 Gallon)

'Camellia - 'Sadaharu Oh' produces red-pink flowers that are edged in pure white that open in early spring. It's a vigorous upright plant that matures at 10-12 ft tall and 4-5 ft wide. Excellent when used in mixed borders or as a specimen plant. Prefers partial sun to shade.

MUSCADINES

Cost \$10.00 (1 Gallon)

'Carlos Muscadine' is a bronze color with small to medium size fruit that are used for wine, juices, and jelly.

'Nobles Muscadine' is a black colored muscadine with medium size fruit. Great for juices and wine. Perfect for Georgia climate.

AGASTACHE 'Blue Fortune'

Cost \$10.00 (1 Gallon)

Agastache - 'Blue Fortune' is a perennial plant with fragrant flowers and leaves in the mint family. Flowers are showy and fragrant appearing summer through fall. Prefers full sun and can tolerate some light shade. Good pollinator plant.

BUDDLEIA 'Miss Molly'

Cost \$25.00 (3 Gallon)

'Miss Molly' produces rich hues of dark pink-red flowers from summer to frost. The most common shade is a deep pink but changes throughout the season with deeper reds in warmer regions. Great in summer landscapes and for attracting pollinators.

HYDRANGEA - Cost \$25.00 (3 Gallon)

'Double Wedding Gown' - Double blooms on notably strong stems grace the Double Delights™ Wedding Gown Hydrangea. Round growth habit with lush dark green foliage. Is a repeat bloomer, spring through fall. Each flower cluster transforms into an exquisite, pristine white bridal bouquet as a stunning outer ring of large blooms first unfolds, followed by lovely smaller inner blooms. Partial to full Shade.

'SUMMER CRUSH' - Vibrant color from a deep red-pink to pretty purple-blue depending on your soil pH. You can't go wrong with this shrub for stunning hues. Enjoy a long bloom season from late spring through summer. It's versatility in the landscape, allows you to plant in mixed beds, shade gardens or borders. Summer Crush grows in full sun to part shade and fits just about anywhere. Part shade to full sun.

'SILVER DOLLAR' - This small but mighty plant beauty offers a full-sized compact flower. Silver Dollar only grows 4-5 ft tall and wide. Great plant for small gardens and side yards. Enjoy its big green leaves in spring and summer. Showy lacy, creamy-white flowers bloom mid-summer through fall. It grows well in full sun to partial shade.

AZALEA 'Hilda Niblett'

Cost \$8.00 (1 Gallon)

'Hilda Niblett' Is a beautiful, low-growing shrub that has the full-size 4-inch flower trusses of much larger Azaleas. One of the main attractions of the 'Hilda Niblett' is the unusual peach and white flowers it produces, that also bear shades of pink and red in early spring. This shade loving shrub will not reach more than a foot high but will spread to about 3-4 feet wide and is trouble-free in even less than perfect soil.

CALYCANTHUS 'APHRODITE'

Cost \$25.00 (3 Gallon)

'Calycanthus 'Aphrodite' Sweet shrub" is known for its sweet, fruity fragrant flowers. The deep red flowers produce abundant blooms in late spring. It's lustrous dark green foliage turns an attractive golden-yellow in the fall. Grows up 5-8 ft tall and 5-7 ft wide in full to partial sun.

OSMANTHUS 'Tea Olive'

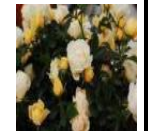

Cost \$10.00 (1 Gallon)

'Osmanthus - 'Tea Olive' - Dense, oval-rounded evergreen shrub that grows up to 20-25 feet tall. This plant blooms in the late fall and has inconspicuous flowers with a sweet aroma. This plant is frequently utilized in hedges, foundations, screens, as a specimen plant, or pruned into a small tree. This plant prefers full sun and moist, well-drained, acidic soil.

DRIFT ROSE

Cost \$25.00 (3 Gallon)

'Popcorn' Popcorn starts with buttery yellow blooms that fade to white. This plant is great as a groundcover, along a border or incorporated in your flower garden. Its mature size is 18" tall by 2 ft wide.

'CORAL' Coral colored blooms cover the plant from mid-spring to the first hard freeze of late fall. Easy-care, vigorous, and cold hardy. Glossy dark green foliage with excellent disease resistance. Reaches 12 to 18 inches tall by 2 feet wide.

FERN 'JAPANESE PAINTED'

Cost \$8.00 (1 Gallon)

'Japanese Painted Fern' is showy beauty with silver and green fronds. A great choice for shady borders and woodland gardens. Japanese painted fern has its best color when planted in partial shade.

HEUCHERA 'BLACK TAFFETA'

Cost \$10.00 (1 Gallon)

'Black Taffeta' -Features silky black, heavily ruffled foliage that adds a black-tie elegance to any garden. This clump-forming perennial forms basal mounds, up to 12 inches tall with spread of 15 inches.
